

WinPower Options

Plan Name	% Renewable Energy	Rate ¹	Action Needed	Estimated difference in average Winchester household monthly bill from current Eversource rate ³
WinPower 100	100%	13.558¢/kWh	To opt up to 100% renewable energy, call Dynegy at (866) 220-5696	+ \$4.98
WinPower	18%	10.898¢/kWh	If the electricity supplier listed on your Eversource bill is not Dynegy and you wish to enroll in the WinPower program, call Dynegy at (866) 220-5696 ⁴	- \$14.79
Eversource ²	13%	12.888¢/kWh	If you have recently started a new Eversource account (most likely from a move to or within Winchester), you will automatically be enrolled in the WinPower program unless you mail in the opt-out postcard within 30 days of postmark, OR call Dynegy at (866) 220-5696, OR call Eversource at (800) 592-2000.	\$0

¹ WinPower rates are locked in through December 2019 (30 months)

² Eversource rate as of February 2018; subject to change July 2018

³ Based on average Winchester household monthly usage of 768 kWh

⁴ Check your rate and terms of contract with the independent supplier listed on your bill

WinPower offers rate stability for 30 months (current rate good through December 2019)

Please note, you will NOT receive phone calls or mailings from WinPower to change your supplier

If your goal is:	Choose:
Highest % renewable energy	WinPower 100 (call Dynegy)
Least action required	WinPower (do nothing!)
Rate stability	Any WinPower plan
